Field Ministries

We come alongside the faithful men and women of Asia who are striving to expand God's Kingdom. We help train, equip, and encourage local pastors and leaders so they are fully prepared to share the Gospel, to make disciples, and to plant new churches in remote communities.

Empowering men and women who can provide for their own needs is the best way to help eradicate poverty. Projects like sewing schools and beauty schools enable women to learn marketable skills so they can earn an honest living and provide for their families.
