*In October 2024, essential food supplies were provided to the bricklayer community near the church, benefiting families in need from the Christian community to encourage openness to the Gospel. In August, Ps. Emmanuel and Ps. Simon led a transformative three-day leadership training in Amratnager, focusing on prayer and worship. The final day included an open rally for new believers and door-to-door visits in Village 133 that brought healing to the sick. All glory to God for these blessings.*

Please keep them all in your prayers as they prepare for a new beginning.
