### Message by Pastor Paul & Gai Bonython

Go Forth Asia board members first planning meeting for 2016 followed by lunch — with Philip Ong, Gilbert Wee, Steven Chung, Albert Chen, Stanley Gerard, Tania Lee and Joshua Nadarasan

Dear Readers,

It was our pleasure to share with the newly formed Board for GFA in June this year. There was a very real sense of excitement in the room as various speakers announced the good news about GFA. A few speakers shared some information about a portion of the programme, until the Founding Chairman, Pastor Stanley Gerard unveiled the whole vision and the banners were presented for all to see. Gai and I were able to conclude the morning presentation with words of encouragement and a challenge from the Bible. After that we all joined together in prayer and sealed the vision before God. It was a great morning, and already we are experiencing the fruit of GFA's efforts and vision. I am sure that many more will get on board and run with the vision too. Our prayers, thoughts and blessings are toward Pastor Stanley and the team as they forge ahead in completing the work of the Lord in GFA. We encourage you to cover them in your prayers and give whatever help the Lord enables you to do. There is always the opportunity to strengthen each other in so many ways that will grow God's Kingdom. Be ready, be aware of the cry, and enlist to help. May God's Love and Blessing be on you all.

You are all in our prayers.  
Paul and Gai Bonython
